Reports:

Trustin Harrison

- Video gaming report was not released as of 5pm tonight so when it is available, Jessica will bring it down & Mary will place in the mailboxes of those liquor committee members.
- Tavern incident report was discussed.

Trustin reported that the new owner (Larry Hamlin) of the Northern Lights Lounge approached Trustin this morning because he thought he was on the agenda for tonight. Apparently his attorney did not file in time for it to be on the agenda. Trustin talked to Dwayne & Brian about this. The Deputy Liquor Commissioner can approve this without the committee making a motion. Gab says the committee can look at this ex-post-facto. No motion needs to be made. As long as there are no issues with the background check, the new license should be approved. Trustin will let the committee know the results of the background check.

Brad talked to the committee about the Grouch's bike night. He also said that Harry's on Highland has requested a permit to have a street party in September.

There was no public comment.

Snell made a motion to adjourn & Small seconded. Motion carried (9-0)

Meeting adjourned at 5:28pm.
